Reliable, easy-to-use and dependable printer for high-quality color documents, photos and projects.

Print speed: up to 30 ppm black and up to 23 ppm color[1]
Connectivity: 1 USB front, 1 USB back
Paper handling: 80-sheet fold-up input tray
Features: HP Smart Web printing

Ready for your everyday printing

- Quickly print up to 30 ppm black and up to 23 ppm color[1]
- Select and organize sections from multiple web pages and print what you see with HP Smart Web Printing[2]
- Print your borderless photos in 4 x 6-inch and panorama-size
- Get laser-quality black text plus vivid color graphics and photos, using HP Vivera inks

Proven reliability at an affordable price

- Rely on HP Deskjet printers the world's top-selling printer brand—celebrating 20 years of excellence
- HP—chosen by consumers as the world's most reliable printer brand[3]
- You can save ink and money using efficient HP ink cartridges
- Print 3 times more black and color pages using high-capacity ink cartridges[4]

Easy to set up and use

- Set up quickly and easily thanks to user-friendly software and hardware
- Stop unwanted prints to save ink and paper using Print-cancel
- Easily transfer files and photos to your PC with front USB port
- Save space with compact design and 80-sheet fold-up paper tray

[1]After first page; see http://www.hp.com/go/inkjetprinter for details.
[2]Not compatible with Windows 2000 or Macintosh operating systems.
[3]Based on worldwide consumer research in 2006 by Millward Brown.

[4]Compared to the HP 74 Black or HP 75 Color Ink Cartridge. High-capacity HP ink cartridges not included; please purchase separately.
